

Dear FSK Community,

Since arriving at FSK, I have worked hard at building relationships, creating a sense of community that involves communication and transparency. To that point, I am writing to inform the FSK community of a situation that took place off-campus over the weekend. A student in our Middle School posted a video to Social Media that made threats to our school community. The video was shared with school staff this morning which triggered a phone call to school police. Within a few short hours, school police reported to the house, spoke to the student and parent, confiscated a weapon, and took appropriate next steps in accordance with the law. I am extremely proud of our students, staff, and School Police for reporting an issue, acting swiftly, and ensuring that everyone in our community is safe.

With this being said, I will be working with Central Office, School Police, and other agencies to ensure that this matter is handled appropriately and in accordance with the law and the City Schools Code of Conduct.

A sign of a strong community is one that sticks together and collaborates to ensure that everyone involved remains safe and secure. We learn a lot about a community when there are trying times and challenges. Today, I am proud!

Your Partner,

Corey Basmajian
