

SCIENCE HAPPENS HERE

# IMET Open House

701 E. Pratt St.  
Saturday, May 4th  
1:00-4:00 PM

-  Check out the **fish and crabs** growing in our Aquaculture Research Center
-  See **"Nature's Nightlight"** - microscopic organisms that glow in the dark
-  Peer into microscopes to see **what's living in the Harbor**
-  Tour a research boat and learn how **science happens on the water**
-  Enjoy refreshments and enter a **free raffle** for tickets to the National Aquarium
