*Elementary Middle School*

Dear Francis Scott Key (FSK) Elementary/Middle School Families & Friends,

We are very excited to welcome you and our students to the 2018-2019 school year. We are excited about the incredible growth the school has seen and success stories across our elementary and middle schools. Successes like increased enrollment, the addition of gifted and advanced learning programs as well as dedicated programs to enrich both students and teachers.

We are launching our **2<sup>nd</sup> Annual Giving Campaign** and would greatly appreciate your family's support. Contributions will significantly impact our success in implementing FSK's new strategic plan which focuses on sustaining high quality academics and instruction, fostering a positive school climate and developing "one school community."

Donations leverage the following types of learning opportunities and supports:

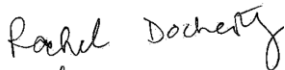

*\* STEM and Technology Equipment \* Professional Development for Teachers \*  
\* Arts Enrichment \* Classroom Supports \* Scholarships for Student Activities \**

A thriving, successful school is an anchor to a successful community, a community which spreads across the peninsula and ideally ripples through our city. We want to be a pilot for how to build a great school and great schools have great families and committed partners.

Thanks to the help of parent volunteers, FSK now has an official 501(c)3 non-profit status and your gift will continue to be tax deductible. **All checks should be made out to Francis Scott Key PTO with Annual Giving Campaign in the memo line.** Donations of \$250 or more will receive a letter of acknowledgement for tax purposes. Individuals should consult with their tax advisors for specific information.

Gifts of any amount are sincerely appreciated. When you make a direct cash or check donation, 100% of your money will go toward helping us attain our educational goals as "one school community". FSK has built and fostered a culture not only of academic achievement, but social success. Your support is key to maintaining this momentum for our school community.

Sincerely,

Rachel Docherty, FSK PTO Co-President

John J. Shea, FSK PTO Co-President

Corey Basmajian, FSK Principal
