

LET'S TIP OUR HATS TO FINDING A CURE FOR CROHN'S & COLITIS

Finding a cure to Crohn's Disease is a cause near and dear to our hearts. We are raising funds to help find a cure in memory of Greg Kugler, who we lost to the disease 9 years ago.

Please join us in our efforts by wearing a hat, any style as long as it is school appropriate, on Friday, May 3rd for a \$1 donation. All money raised will go to CCFA, Crohn's & Colitis Foundation of America.

Thank you for your support!

The Kugler Family

Caps for a Cure
